The Rev. Tammy P. Harmer, Pastor

Office: (856) 875-8742

Greetings from the Angel Tree Committee

Every year we have the Angel Trees at church to help families that are struggling to get Christmas gifts for their children. We have 8 children from two different families that need our help this year. The children range from 3 years old to 13 years old.

With the church being remote services only, we are reaching out to you by email (and the website & social media.)

If you can help in any way or have any questions please call Ann at 856-728-3462. If you don't want to do the shopping we can do it for you. If you wish to shop we can pick up the item/items from you, or you can drop them off to us, and we will wrap them. We have the lists of what can be purchased for each child.

Hope you are staying safe and healthy during this horrible pandemic. Hope we will be able to see each other again soon.

Thanking you in advance for any help, any amount will help.

Yours in Christ,

The Angel Tree Committee
Ted and Ann Adams
Stephanie Friant

PS: Monetary donations can be mailed to the church office, or you may make other arrangements with Ann.
